

WINDSHIELD WASHER FLUID

PRODUCT CODE: 8700

DESCRIPTION

49 NORTH® WINDSHIELD WASHER FLUID is a specially developed methanol based fluid, designed to provide excellent cleaning performance for grime, salt, and snow in cold weather conditions.

QUALITIES

49 NORTH® WINDSHIELD WASHER FLUID is compatible with automotive paint and finishes. The methanol will keep the liquid from freezing in the reservoir, tubing, and on the windshield. The methanol will also help remove the oil film and grime that splashes from the road.

APPLICATIONS

49 NORTH® WINDSHIELD WASHER FLUID is recommend for all makes and models of vehicles and heavy duty equipment.

FEATURES & BENEFITS

Wide temperature application protects against winter freeze up.

Anti-foam properties minimize foaming potential.

Economical windshield cleaning solution.

TYPICAL PROPERTIES

Product Code	8700
Appearance	Blue
Specific Gravity (60/60°C)	0.935
Freezing Point (°C) (ASTM D1177)	-35

The typical properties listed reflect the general characteristics of the product, and are not manufacturing specifications. Normal batch-to-batch variations should be expected.

HEALTH & SAFETY

Methanol is toxic if ingested. A complete Safety Data Sheet (SDS) is available upon request.
